

YWCA Toronto Board Information Session

Tuesday, January 30, 2024 – 7:30-8:30pm (EST)

YWCA Toronto is currently recruiting women to join our Board of Directors and/or Board Committees for the coming year (2024-2025).

The Board of Directors of YWCA Toronto is composed of 18 women who reflect the diversity of the community we serve. We seek a mix of women who can bring a broad range of skills, experience and perspectives to our discussions and governance. In keeping with direction from the World YWCA and YWCA Canada, YWCA Toronto strives to ensure 25% representation from women 30 years old and younger on the Board.

This year, board recruitment is particularly looking for candidates 30 years old and younger, with a background in finance, and candidates from diverse equity-seeking groups.

Interested applicants are invited to attend an information session via Zoom on **Tuesday, January 30, from 7:30-8:30pm (EST)**. Members of the Nominating Committee and some current Board members and Committee Chairs will be there to explain responsibilities and answer questions.
