During this interactive webinar a representative from the library will discuss the wealth of library services available for Newcomers to Canada, their families and children. Information on the impact of services of the Toronto Public library due to the Pandemic and the gradual reinstatement of services will also be shared.

Discussion will include how to:

- Return your library materials at most branch drop boxes.
- Place holds on new materials and schedule a time to pick them up at most branches.
- Experience free and high quality programming from home.
- Use a variety of our online services - from ebooks, eaudiobooks, movies and music, to online programs and learning tools.
- Sign up for an Instant Digital Card if you do not have a library card. This temporary card provides access to OverDrive, our largest collection of ebooks and audiobooks.  
Reserve a computer at select library branches.
