In this session, the National Council of Canadian Muslims will help individuals learn about their basic legal rights and responsibilities as residents in Canada and what they should know about tackling Islamophobia and other forms of racism and discrimination.

You will learn why Canadians should be engaged in the political process, and learn what the issues are that matter and how citizens can organize to fix them!

Join us for a detailed, action-oriented workshop empowering newcomer women to speak up about the issues that are important to them.
