## LEADERSHIP THROUGH FACILITATION 101

A WORKSHOP ON GROUP FACILITATION FOR TEAM LEADERS AND PROFESSIONALS

Are you a leader who wants to achieve greater results through your team? Are you a professional wanting to build facilitation skills to advance your career? Are starting a new career working with groups? This new two-day workshop will help you facilitate your groups for stronger achievement.

### By the end of this program you will,

- Know the responsibilities of a facilitator and steps of facilitation
- Identify your core competencies to lead group facilitation
- Know how to facilitate successful group discussions and challenges
- Guide groups to high levels of achievement
- Improve your effectiveness and confidence as a group leader

For over 40 years, YWCA Toronto has been a leader in changing the lives of countless individuals, teams and communities through our thought-provoking and professionally delivered programs. With a greater awareness of your role as a leader, you too can facilitate change! Benefit from our dynamic and interactive learning environment.
