VOLUNTEER BUILDERS... TAKE 2

Once again we were fortunate to have the Volunteer Builders at Camp to complete some wonderful renovations and additions to Tap. A super new Camp gate, paddleboard racks, swim tower, picnic tables, fire pit with benches at Back a Bit, a roof on the Rec Hall, and a lawnmower shed! Also updated were Windy Ledge, Owlsnest and Dewdrop, as well as new outside lighting on all buildings, skylights in Way Beyond, Little Behind, and In Between. It is quite spectacular what this group accomplished in only 5 days!
