Please do not bring cell phones, radios, stereos, or hairdryers - they are not in keeping with the camp atmosphere.

Cell phones and ipod docking stations will be taken and stored in the camp office, to be returned at the end of the session.

We recommend that you not bring other devices such as ipods to camp. If you choose to bring them we will take no responsibility for their safekeeping and will ask that they only be used in the cabin at certain times. If these are discovered out of the cabin, they will be taken and stored in the camp office and returned at the end of the session.
