RETREATS AND EVENTS

YWCA Camp Tapawingo is a beautiful setting for trainings, retreats, group events and weddings.

Camp provides girls with the opportunity to develop new skills and try things that are wonderfully different from what they know at home.

YWCA Camp Tapawingo is a small camp which means we are able to create a uniquely warm environment in which girls can thrive and take risks, with the support of staff and friends they know well.

It also means we are well-positioned to support girls as they learn to adjust to being away from home and encourage the development of their independence.

Campers begin to see that there is a big world out there and they have the capacity to explore and contribute to it.

LIZ GREENWAY, Camp Director

She holds a B.A. in Physical Education, a B.A. in Recreation and a Bachelor of Education Degree. Liz has served as the President of the Ontario Camps Association (OCA).
